Sir:

Please amend the above-identified division application,
prior to examination on the merits, as follows:

In the Claims:

Please cancel claims 1-42 without prejudice or disclaimer to
their underlying subject matter and add new claims as follows:

43. (Newly added) A system for playing a video provided by
an optical disk, the video including within at least one segment
excluded from at least one playing of the video and at least one
other segment excluded from at least one other playing of the
video, comprising means for, responsive to a viewer's preference
for a content rating and responsive to segment information
provided by the optical disk, selectively retrieving segments,
buffering at least a portion of a segment, and playing, from the
video, a continuous version of the video differing in length than
the length of the video.
